Dear Mark

It was a pleasure to meet you and discuss the recent establishment of the Tyler Foundation in Tokyo and the organisation's efforts to provide assistance and support to children with cancer and their families in Japan.

I wish to commend you for devoting your time to pursuing such a worthwhile cause. The Tyler Foundation would undoubtedly provide meaningful support to the precious little children and their families whose lives have been devastated by cancer. I would wish you all the success with the initiatives and activities that the Tyler Foundation is embarking upon.

You are most welcome to share the contents of this letter with others.

Yours sincerely

Dr BS Ngubane
Ambassador
